**PA Association of Meat Processors**

**1209 Rockdale Road, Rockwood, PA 15557      844-599-PAMP**  
email:pamp@pameatprocessors.org      website: www.pameatprocessors.org

Dear Fellow Meat Processor,

What does the Pennsylvania Association of Meat Processors mean to you? Education, expertise, advice, friendship, and fun are just a few of the words that come to mind.

The **EDUCATION**: In cooperation with Penn State University's Animal Science and Food Science Department, PAMP has educational seminars available to its members.

The **EXPERTISE**: A call to us helps members find answers to regulatory questions or problems.

The **ADVICE** from other plants on the information that is gained through the interaction with PAMP is vast and can affect both your bottom line and your company's future.

The **FRIENDSHIP**. PAMP is filled with good people with the same goals and challenges that you face everyday. It is important to have friends to call when you find yourself short on spice or when you just want help in making your products better.

The **FUN**, if you haven't attended a convention in several years, I would like to invite you to attend our convention next year in State College, PA on May 10-13, 2018. You will not believe the amount of valuable information and contacts you will make. Learning about others operations may just spark your next great idea.

Our industry is changing right before our eyes. Learn about new products, new regulations and meet new people by joining the Pennsylvania Association of Meat Processors. I ask that you take a moment and complete your PAMP dues application and mail it to the office. YOUR dues are crucial to continue the viability and growth of our organization.

If you have any questions or concerns that you would like to discuss, please feel free to contact me at 844-599-PAMP or email me at: pamp@pameatprocessors.org.

Sincerely  
Renee Pletcher - Secretary
